SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. **(click here for more)**

About Conference

2026 is going hybrid!

With a great response and feedback from our esteemed participants of past five series of otorhinolaryngology conference, we are energized and motivated to make the Otorhinolaryngology 2026 an even more enriching and impactful experience.

It is with great pleasure and excitement that we extend a warm welcome to each of you at the "**6th International Conference on Otorhinolaryngology**", scheduled from **November 11, 2026** to take place in **Bangkok, Thailand**. As we gather here, we embark on a journey of exploration, collaboration, and knowledge-sharing in the dynamic field of Ear, Nose, and Throat (ENT care).

Scientex Conferences pleased to invite you to the hybrid event with the theme of "**Innovative ENT Healthcare: Pioneering Technologies, Clinical Progress & Collaborative Care**".

We once again took the privilege of felicitating and gratitude of Otorhinolaryngology 2025 Organizing Committee, Keynote Speakers, Plenary Speakers, Chairs and Co-Chairs... **(click here for more)**

SCENT - EP01	Title: Clinical features of post-viral peripheral olfactory dysfunction
	Doniyorbek Rajabov, Uzbekistan

Day Concludes

*Note: You are requested to be present at the event right from the introductory session as there might be some changes in the event schedule and so the presentation timings may vary. In that scenario, your presentation slot may get preponed or postponed by a fair deal of time (in rare cases) to ensure a smooth running passage of the program without any delay. So, we request you to please be prepared to present your work whenever your turn comes up. Your understanding in this regard is very much appreciated.

Speaker slots are available. To book your slot, please mail us at otorhinolaryngology@scientexconferences.com
